### Handwriting Sample Collection Page

Write your handwriting sample below, however you are most comfortable – as if you were writing notes to yourself or a letter to a friend. Use a ballpoint or roller-ball type pen (**no** pencils, felt-tip, or fountain pens.) ***Include your full signature after your writing sample*** and remember to complete the information at the bottom of the page.

Start by writing this sentence and add as much as you want to fill the page. *"I am truly happy to have this opportunity to learn what my handwriting says about me because..."*
